All officers and members need to verify any gowns in their PPE inventory are HFD approved items. **EMS Supply will remain in the process of evaluating, procuring and approving PPE items when available to maintain adequate inventory for HFD. There is an additional gown approved by EMS that has been added.**

If there are any other gowns in your station PPE inventory that don't match the items below, pull them from use and contact EMS Supply at 832-395-8505 to have any unapproved PPE replaced.

The re-supply process of PPE outlined in *Memorandum #20-107 Body Substance Isolation Distributions* (March 27, 2020) is still current. Questions regarding this memorandum will be addressed through the chain of command.
